Notes:

1. Monthly operating statistics are issued on a preliminary basis and are subject to change. Any adjustments made will flow through to the year to date results.
2. Passengers Carried refers to Regular Passenger Transport ("RPT") and therefore excludes charter passengers.
3. RPKs refers to the number of paying passengers carried multiplied by the number of kilometres flown.
4. ASKs refers to the number of seats available for sale to passengers multiplied by the number of kilometres flown.
5. Load factor is RPKs divided by ASKs."

Skywest Airlines Chairman, Jeff Chatfield said:

"We are delighted to be able to pay a final dividend to our shareholders while the increased fleet and passenger numbers highlight the Company's continued growth potential. Tourism remains a great opportunity for growth and as a tourist destination, Western Australia has plenty to offer. Skywest Airlines' superior level of service provides a global link to attract domestic and international tourists to the many attractions that span Western Australia."
