AGM ANNOUNCEMENT AND DIVIDEND DETAILS

Skywest advises that all resolutions were passed at today's Annual General Meeting of the shareholders of the Company and advises of the timetable for the upcoming dividend.

Chairman Jeff Chatfield said earlier that "At the Company's AGM we enjoyed good support from a broad base of shareholders, with all resolutions being passed. This means that the Company is much closer to having its securities quoted on the Australian Securities Exchange".

A Special Resolution that was put to shareholders concerning the adoption of new Articles of Association was successful, enabling the Company to lodge an ASX listing application and an Information Memorandum with the ASX shortly after the meeting.

Subject to ASX approval of the Company's application, the Company anticipates that its securities will commence trading on the ASX in December.

The Annual General Meeting also saw shareholders vote unanimously in support of the Board's proposal for the payment of a final dividend. In accordance with the LSE dividend payment guidelines the Board then set the following dividend timetable.

DIVIDEND DETAILS

Ex Dividend date	9 December 2009
Record date	11 December 2009
Payment date	18 December 2009

The shareholders approved a dividend of 1.00 Singapore cents per share.

For holders of CREST depository interests or certificated shares held on the UK register, the amount payable will be 0.43 UK pence per share.

Provided that the Company has commenced trading on the ASX by the record date, 0.78 Australian cents per security will be payable to CHESSE depository interests holders.
